Note that Telligen has this template set up (please do not modify this) to be able to see data WITHOUT any identifiers. We will be able to see your *C.diff* reporting as well as COVID-19. We will never share facility-identified data.

If this is okay, click on the Accept button at the bottom. Should you have any concerns about this, please contact us at [nursinghome@telligen.com](mailto:nursinghome@telligen.com) and we would be happy to discuss this in greater detail.
