After registering, you will receive a confirmation email containing information about joining the webinar.

Webinar | Feb. 23

Vaccination

Please join Qsource ESRD Networks and Telligen for a Vaccination webinar. Vaccines are the most effective way to prevent infectious diseases. Keeping up to date on vaccinations is imperative to the health of both staff and patients. Please join us for our vaccination webinar where Dr. Marie Philipneri will talk in greater detail about COVID, Influenza and Pneumonia vaccines and their importance, as well as vaccine adherence. We hope this webinar will provide more tools to help you continue to educate patients and staff on the importance of vaccinations

Speaker

Dr. Marie Philipneri is a Professor of Medicine at Saint Louis University School of Medicine. She joined the Division of Nephrology at Saint Louis University (SLU) in 2000. After earning a medical degree from University of Guyana (1994), she completed residency in internal medicine at University of Missouri Kansas City and fellowship in nephrology at Saint Louis University. She also obtained a Master of Public Health (MPH) and Doctor of Philosophy (Ph.D.) in Health Management and Policy from Saint Louis University. Dr. Philipneri is Board Certified in Nephrology and Internal Medicine, and Specialist in Clinical Hypertension.
