## About Us

Telligen QI Connect™ is a network of partners working on healthcare quality improvement initiatives that are data-driven and locally-tailored to improve healthcare quality and outcomes by implementing and spreading evidence-based and best practices.

Telligen QI Connect™ is operated by Telligen, which is funded by the Centers for Medicare & Medicaid Services (CMS) to serve as a Quality Innovation Network-Quality Improvement Organization (QIN-QIO).

## Why Join Us?

- ✓ Gain access to free technical assistance - data analysis, quality improvement coaching, tools and webinars - to increase your capacity for quality improvement and improve processes.
- ✓ Reduce your burden so you can focus on providing the best quality of care to your constituents.
- ✓ Save time and resources by partnering with others around similar value-based care interventions.
