JUST LIKE YOU

 JOIN NOW

Receive one-on-one technical assistance tailored to your needs

Collaborate with over 6,000 partners across Colorado, Iowa, Illinois and Oklahoma

All of our offerings and resources are provided at **no-cost!**

About Us

Telligen QI Connect™ is a network of partners working on healthcare quality improvement initiatives that are data-driven and locally-tailored to improve healthcare quality and outcomes by implementing and spreading evidence-based and best practices. Partners include nursing homes, clinicians, hospitals, community partners and patients and families who aim to make healthcare safer, more accessible and more cost-effective.

 LEARN MORE

Why Join Us?

- Gain access to technical assistance – data analysis, quality improvement coaching, tools and webinars – to increase your capacity for quality improvement, improve processes and maximize Medicare reimbursement.
- Reduce your burden so you can focus on providing the best quality of care to your patients.
- Network with other providers, hospitals, nursing homes and community partners from across the country to share and learn about innovative practices.

Telligen QI Connect™

Partnering to improve health outcomes through relationships and data
