

Telligen QI Connect™

NHSN OFFICE HOURS REPORTING STAFF INFLUENZA VACCINATIONS

Telligen is hosting a week of NHSN office hours to demonstrate how your nursing home can report staff influenza vaccinations in the National Healthcare Safety Network (NHSN) database.

For your convenience, this event is offered each day of the week, beginning on Monday, March 27, and ending on Friday, March 31.

Don't wait until the last minute!

Reporting this data is **required** per the [Skilled Nursing Facility Quality Reporting Program \(SNF QRP\)](#). This data must be entered no later than May 15, 2023, and it is not in the same area that you have been reporting COVID-19 data. If your NHSN facility users are not set up correctly, it could take up to a week to get access to the influenza reporting component.

Audience

Nursing home NHSN users

Registration

Click one of the dates below to register for the NHSN office hour. Please note that you only need to register for one event, as each offering is the same.
