Hospital Infection Preventionist Orientation Checklist

| Name | Date |
|---|--|
| Organization | |
| Provided by Administrator/Director of Nursing | |
| \square Review the infection prevention (IP) scope of $\mathfrak l$ | responsibilities document |
| \square Review the IP program risk assessment | |
| \square Review the IP plan and goals | |
| \square Review of the pandemic event plan | |
| \square Review the emergency preparedness plan (alig | gn to pandemic event) |
| \square Review the annual tuberculosis risk assessmen | nt (work with local health department to determine prevalence) |
| \square Review the Quality Assurance & Performance | Improvement (QAPI) function and metrics as it relates to IP |
| Infection Prevention Education | |
| ☐ Centers for Disease Control and Prevention (C | DC) Infection Control Training and Education Resources |
| ☐ <u>Association for Professionals in Infection Cont</u> | rol and Epidemiology (APIC) self-study following core curriculum |
| (requires membership) | |
| ☐ Other: | |
| Technological Skills | |
| ☐ Outlook (or organizational email) | |
| \square Secure text messaging software | |
| \square Surveillance software (if used) | |
| ☐ Microsoft Word | |
| ☐ Microsoft Excel | |
| ☐ Microsoft PowerPoint | |
| \square Intranet/internet | |
| Infection Prevention Surveillance | |
| ☐ Laboratory alerts/reports | |
| ☐ Admission lists | |

| ☐ National Healthcare Safety Network (NHSN Acute Care/Critical Access Hospitals) infection definitions and criter | ria |
|---|-----|
| ☐ Targeted surveillance (hand hygiene, isolation, etc.) | |
| ☐ Central line-associated bloodstream infections (CLABSI) | |
| ☐ Catheter-associated urinary tract infections (CAUTI) | |
| \square State-specific reportable diseases/health department notifications | |
| ☐ IP unit rounds (frequency/forms) | |
| ☐ Environment of care (EOC) rounds | |
| ☐ Construction/project rounds as needed | |
| ☐ Other: | |
| posure/Outbreak Investigations | |
| ☐ Exposure/outbreak verification (case definition) | |
| ☐ Notification (leadership, units/facilities, health department, etc.) | |
| ☐ Action plan/process | |
| ☐ Education around the event | |
| ☐ Performing inspections/interviews/audits | |
| ☐ Follow-up post exposure/outbreak | |
| ublic Health | |
| ☐ Regional epidemiologist introduction/role of health department | |
| ☐ Local antibiogram or resistance patterns | |
| -Service Education | |
| ☐ Development of in-service content | |
| ☐ Annual mandatory education | |
| ☐ Presentation at general and job-specific (i.e., nursing, laboratory, environmental services) orientation | |
| ☐ Patient/family/support person education principles | |
| ☐ Development of direct observation of practice tool | |
| ☐ Teachable moments, on-the-spot education | |
| icrobiology/Laboratory | |
| ☐ Importance of quality specimen collection | |

| | ☐ Stains/cultures |
|----|---|
| | ☐ Immunology |
| | ☐ Chemistry/hematology |
| En | vironmental Services (EVS) |
| | ☐ Importance of appropriate cleaning product selection |
| | ☐ Cleaning, disinfecting and dwell times |
| | ☐ Responsibilities (who cleans what) |
| | ☐ Personal protective equipment |
| | \square Sterilization failure notification and follow-up |
| Ро | licies/Guidelines/Regulatory Guidance (How to Access) |
| | ☐ Department policies |
| | ☐ Corporate policies |
| | ☐ EOC manual |
| | ☐ State-specific guidance |
| | ☐ Occupational Safety and Health Administration (OSHA): Including blood-borne pathogens standard, airborne protection |
| | ☐ Centers for Medicare & Medicaid Services (CMS) SOM Appendix A Infection Prevention |
| | ☐ Environmental Protection Agency (EPA) waste management |
| | ☐ <u>APIC</u> guidelines/practice standards/text |
| | \square Society for Healthcare Epidemiology of America (<u>SHEA</u>) guidelines |
| | ☐ Infectious Diseases Society of America (<u>IDSA</u>) guidelines |
| | \square Association for the Health Care Environment (<u>AHE</u>) guidelines |
| | \square Association of Perioperative Registered Nurses (<u>AORN</u>) standards |
| | \square American Society of Heating, Refrigerating, and Air-Conditioning Engineers (<u>ASHRAE</u>) |
| | ☐ American Institute of Architects (<u>AIA</u>) |
| | ☐ Centers for Disease Control and Prevention (<u>CDC</u>) |
| | ☐ Agency for Healthcare Research and Quality (AHRQ) |
